We are deeply saddened at the passing of our dear friend Barbara. Though she faced many challenges in her life she always happy and concerned about others. She would always ask about our children by name, then say something like: "they were such good kids". Barbara had a beautiful loving smile. We will miss her. Our prayers are with Lenny, Barbara and their family. May you feel the Lord's loving embrace comforting you until your are together with your dear Barbara again.

I will remember Barbara for her testimony which was sweet, sincere and deep. The love she has for her family was so great and she adored them. My children loved her as their primary teacher, they felt loved and cared for and she was always so happy and kind towards them. Barb had a beautiful, happy smile that was so welcoming and loving. We are so sorry for your loss and pray there will be continued peace for your family, Kimball and Erica High

I’m so hart broken. Barbra was a second mom to me. Spending my childhood with Barbra on her family vacations. I’m so fortunate to have lived next door to such a caring and loving lady. You will be missed greatly by me.

My aunt Barb is a pure and beautiful soul. I felt like we were best friends and could talk and laugh endlessly. She loved people and loved me too. I have learned so much from her about how to be human. I love you Aunt Barb and will miss you greatly. You are always in my heart. Your nephew, scottyO. Scott Geertsen Ormond

I was saddened to read about Barbara’s sudden death. A shock to everyone who knew her. I had the great opportunity to serve with Barbara as a cheerleader during our Junior year at Hillcrest. What a treat it was to get to know her. A true and supportive friend from the beginning of the year to the end of the year that we got to know each other that continued during the years. The last time I saw Barbara was at the 50th year Hillcrest reunion and it was as if we were back as a cheerleader and good friends. She was a friend to all and I count it as one of my best times from High School to have known her and been able to associate with her. Jane and I send our condolences to you and your family. Remember the memories always. I unfortunately will not be at the funeral as I am visiting family out of town but please know that Jane and my prayers are with you. Lynn & Jane Brown

My girls and I remember spending joyful times at the Geertsen and Associates office. Lenny would share sweet stories about Barbara and the family as he completed my taxes. I remember going on family trips with the Geertsen family when I was young. Lots of fun memories! Sending all our love!! Amie, Sydnie, and Rylie Butler

Dear Geertson Family, I had the privilege of being one of Barbara's ministers. Megan Anderson and I would always leave Barbara's home knowing she loved her family and the Lord. She would often share here testimony of how blessed she felt, even as she struggled with health issues. Nothing made her feel better than to have her hair done by her granddaughter. When her children came to help her decorate or clean she was in heaven. During my visits Barbara almost always spoke lovingly about family members including her grandchildren of whom she was so proud. She felt bless by Lenny's loving attention and help. I can testify you were her joy. I will miss my beautiful friend. Barbara and I will be friends forever. You have my deepest sympathy for your loss and my prayers of comfort. With love, Carol Webb

This world lost a beautiful light. I became friends with Barb because she was in my ward. She became one of my nail clients. I got to do her nails for quite a few years but what I got in return was not only money payment but a

deep friendship. She always brought positivity, laughter, and if there was a chance or if the timing was right she would bare her testimony. She would say she doesn't know the scriptures like Lenny but she didn't need to because you could feel the spirit just in the way she spoke about her beliefs. We also talked about everything under the sun. We laughed a lot sometimes until we cried. She had a great personality and sense of humor. Everyone in the salon loved Barb. Barb talked to me about her family, her kids grandkids and Lenny. At times she may tell me about her worries or concerns of a family member but never gossip and only in a loving way. She was so proud of all of her sons, and had a special love and respect for her daughter. She loved Her son-in-law and daughters-in-law so much. She often told me how much she Loved Saundra and that she had a beautiful spirit about her. When She would talk about Lenny you could tell she not only loved him but was in love with him. She gave me hope that after that many years you can still be in love. I will miss Barb, I am sad of her passing and for those left behind. I just found out of her passing. I am out of town, I would love to have been there. All my Love to her family, Tori
