

Janice Arlene Dearden Tree

December 3, 1933 ~ November 26, 2023

Sister Tree was an absolute gem and gift! On my mission I was “sister Nuttall” and I worked alongside the Trees in the New Zealand visitor center. She was always so kind, giving, and loving to all. Lots of love and prayers for your family.

Janice and Ira were one of my favorite senior missionaries when the served at the Visitors Centre in Hamilton New Zealand. They were both loved by so many people. I had the great pleasure of being able to spend time with them on both my visits. I always though they would live forever. My love to Ira and the family

I’m the oldest one of Norene and Keith Turnbow children and a niece to Ita and Janice Tree. I wish to let them know of my condolences and love at this time. I pray that the spirit of love and peace be with them all.
