

Barbara Joanne Mila

April 21, 1938 ~ December 27, 2022

I got to know Barbara while working at This Is The Place Heritage Park. I grew to really love and appreciate her and her talents. She was one to always "say it like it was" but was almost always correct. She was erliable and fun. I am so sorry you lost a beautiful woman from your family. I have many fond memories of her and our visits. She will be greatly missed.

To Steve, Hola and the children It is with deep sympathy that I send this note to say farewell to Barbara. Thank you, Barbara, for your love and time shared with many of us when we met up during the Lavulo reunions. May you rest with peace and love.
