September 20, 1931 ~ August 19, 2023

My sincerest condolences. May she rest in peace, and may her spirit continue to dwell within everyone she touched, and may you all be comforted during this tough times.

Gif & family, Roger Baker sent the obit of Janice. Having had a mother myself with Alzheimer's & my best friend, Kristie, I know there were days you hoped she would go & other days you hoped she might remember you. It is a painful process. Thankfully, we still have our great memories of Janice, you and all our talks about those amazing grandkids! We would have enjoyed seeing her & you another time. Bless you in your own memories, good son!

Giff, What an amazing lady. I'll never forget how she'd smile and laugh when Kristie and I would stop over to visit. . I still use the wash cloths she knitted for us. I miss her not waving at me as she would walk by with her walking sticks. My thoughts and prayers of condolences to you and your family.

You were a wonderful friend and neighbor. We will miss you.

Mrs. Davis was my PE teacher at Hillside Jr High in 1978. She made class fun and interesting. I wish she could have brought about a change in the one piece, horrible, polyester gym uniform we were required to wear. She taught us important lessons, some that we ignored, like using the showers in the girl's changing room. Hoping Mrs Davis can rest in peace now because there was no peace in teaching junior high physical education. So sorry to hear of her passing.

It was truly an honor to know and care for Janice. Her wit and smile made her a favorite among everyone (residents and caregivers alike)

I have already missed you, Janice dear. Memories of Curves, shopping at the garden store together, dinners at Olive Garden, visiting at your house with a fridge covered in magnets, but mostly the years of breakfasts at The Original Pancake House..."Half order of dollar pancakes," are all cherished. I love you!!! Hope we're neighbors in heaven. Save me a place, okay? ❤

We are so sorry to hear of Janice's passing. She was a great lady as well as a long-time family friend that the Salt Lake City Golden Eagles Booster Club brought into our lives in the early 1970s. Janice's door was always open when we visited Salt Lake and she graced us with her presence in Edmonton on two separate occasions. Each gathering--whether in Canada or Utah--was a great time filled with much laughter and good times. Janice was a proud mother and grandmother and she will be missed. What a wonderful woman and legacy. I met Janice in 2004 when I moved into the home directly across 10th East from her. She was my first friend in Salt Lake. I was so grateful for the information and stories she had about my home, where she spent much time with her best girlfriend while growing up. The last time I was at her home, she told me about her diagnosis. She also gave me a stack of her knitted potholders to share with my family. We ate cookies from a favorite bakery and hugged. I could not have asked for a kinder, more thoughtful neighbor who quickly became my friend. I can still at her raking the leaves, watering the lawn with Maggie at her side. Rest in peace friend.
