Brent and I are so sorry for the passing of my dear friend Barbara . We became good friends at Hillside Jr High through our years to graduation from Highland High School .After high school and college I saw less of Barbara as we were in different sororities and then we ALL started getting married . One of my favorite memories was coming to your home on Skyline Dr. When I would go home I was wishing I had as many siblings as Barbara had as my only sister and I were 11 years apart. ( I did end up having 5 children). Once in college we were in different sororities and we saw less of each other . But I have never forgotten that sweet soft voice and her cheerful personality .My name is Ruth Anne Ferguson (maiden ) name . ( I go by Anne now as everyone would always leave off Anne and call me " Ruth") . Brent and I send all our love and condolences to you and your families . Love , Anne and Brent Maxfield

Barb has been a dear friend since we were in seventh grade at Hillside JR High. Her smile and kindness spread like sunshine wherever she was. She was a great friend to me as I cared for my ill husband for over a decade, and would regularly call me to see how I was doing, along with an update on my husband. We would have great talks and sometimes go to lunch , just to give me a break. Always putting others ahead of herself, was her style. She loved her husband, her children, and her fabulous grandchildren and would do anything for them. I am blessed to have known her for decades, learned much from her, and call her my friend. She is an eternal friend to so many. God has a glorious new angel who will brighten up heaven for all, and those family members and friends who preceded her will rejoice with her again. I love you Barb... till we meet again. Love, Kathy McNeil

I am so grateful for the Badger family. I have such sweet memories of swinging on a rope swing over the creek at your cabin and playing at the the cabin in Alpine. I adored your mother and love you all. Todd and I are still in shock over Barbara's stroke and passing. She is so vibrant and gracious and caring. Always quick to smile and make us feel welcome into her life and the event we happen to meet at. She seemed so invincible. Barbara made the world brighter and calmer wherever she was. We're grateful for her presence in our lives. We love you Rich. We're so sorry for your deep loss. Love Todd and Julie Kiser

I am so sorry that I will be out of town this weekend - this is a double heart ache after missing Aunt Wanda's services. One of my earliest memories was being very upset about being separated from my family at a stake conference session. I vividly remember the comfort I felt when a beautiful girl put her arm around me and said, "It's okay, I'm your cousin and I'm a Barbara too". Praying for all close family and friends to find comfort while dealing with this heartbreaking separation.

So sad to hear this! Barb was such a light to us all in what would become the DC 3rd Ward. She was always an example of Christ-like love to everyone who came into her orbit.

I will always remember the very first time I attended the SLC 13th Ward when Barb presented me with a small loaf of chocolate chip pumpkin bread. I soon realized that she gave a loaf to anyone who was new in the ward. She also wrote down their names and a description of that person so she would remember their names and who they were. She was a true example of the Savior's teachings and followed his example. We will miss her.

The funeral service for Barbara was beautiful. She is so deserving of all the kind words spoken about her. This funeral was so spiritual, and I was reminded to be more like the Savior, as Barbara was. We will continue remembering you and your family in our prayers. With love and sympathy, Carolyn and Wally Allred

Ms. McKeown was my 2nd grade teacher at Uintah in 1997 and I still remember every word to our Shakespeare program (He was born in England in 1564!). She brought magic and delight to learning and I was so happy to be in her class. I am now a 2nd grade teacher in Salt Lake City School District and think of her so often because of that. I'm so sorry for your loss- know that Ms McKeown made a difference in my life! Liz Holloway

Dear President McKeown: I can't tell you how sorry I was to hear of your sweet wife's passing. I only met her once but she was clearly a loving daughter of our Heavenly Father. I know you may be feeling lost without her physical presence, but one thing I've learned over the last couple of years while fighting cancer for the 2nd time is that the veil is very thin and God has a plan for each of us. She is closer than you think. I'm not in the 10th Ward any longer or in the stake as I moved out-of-state, but I wanted you to know that I was thinking of you and I'm grateful for all that you've done for me. Between you and Bishop Nicholaisen, I found my way back and my temple blessings were restored. I'm eternally grateful and send you all of my best thoughts and prayers. Kindest regards, Dora Miller

Dear Rich and family, I was so saddened to hear of Barb's passing. I got the news after her services were over. I wished I had known before hand so I could have attended and paid my respects to this amazing woman. She was so kind and loving to me especially after she found out about the passing of our daughter. She created a beautiful collage art piece for me that said "May you always have an angel by your side". I've treasured it, and even more so now. She was a wonderful hostess and I was delighted to attend a YW gathering at your place when we lived in the 12th Ward. Heaven shines a little brighter with her there and you will always have an angel by your side. With heartfelt sympathy and love, Leanne & Jeff Geigle

Bishop McKeown and family, I recently learned that Barb passed away and I wanted to share my condolences, love, appreciation, and some of the blessings that I received from getting to know her. She was everything beautiful and a true "Sister in Christ". Thank you for the privilege to view the service and share in the memories and the many gifts and talents that she used to bless our lives. Barb found joy in the journey and she added to the joy of my journey. Because of our love for the Savior, we could always find common ground and connect. She knew how to minister to me. We served together in a church calling and in a community project, we met up in Salt Lake City, not planned, where we had lunch at her home, toured through the Relief Society building, talked and walked through the City Cemetery, and just simply had fun. On that great day, I continued to increase in my knowledge and understanding of the tapestry and interwoven power that comes from knowing the love of our Heavenly Father, the love and atoning sacrifice of our Savior Jesus Christ, and the comforting and constant companionship of the Holy Ghost, which is manifest most through the restored gospel, missionary work, pioneer heritage, and the gathering of Israel in these latter days, "they of the last wagon". It is a constant reminder of the "Hand of the Lord In Our Seasons", which was the title and message of the first talk that I gave in church where she was present. Barb later shared with me that her heart and spirit were touched from my message, especially as I closed with a quote about the Prophet Joseph Smith and his brother Hyrum. If I recall properly, it was a quote of her great-great grandfather.

Through the years of our ever changing lives, we continued to communicate and share birthday greetings and occasional messages of encouragement and updates in our lives. I now realize that my last email exchange with Barb was about a week before she passed away, so I am even more grateful for what we shared in those messages. She will never be forgotten and we will meet again. Because of the embroidered temple envelope she gifted to me after receiving my temple endowments, her memory is always with me in the temple, which is weekly. Barb is now blessed to be in the presence of the Lord and with family and friends rejoicing and doing the Lord's work. Those prayer walks here on earth, where she was our intercessory prayer warrior are now being continued in heaven. Remember she loved unconditionally and even from above she sees you and meets you where you are. What we can do to celebrate her memory is to continue to love the Lord and each other, forgive and accept that we are forgiven, strive daily to do our best, trust and help others to do the same, and pray always. Love, Tammy■
