What an amazing friend/sister Barb was! There is very few people who always have your back no matter what..that was Barb! As I reflect on all our good times & man did we have alot..I've smiled,laughed & shed a lot of tears. I'm going to miss our 2 hour phone calls & hearing her laugh. Barb always viewed life humbeley & took things in stride...she was a strong spirited woman! She adored her daughter's & grandson! A peice of my heart will be forever broken...this isn't good bye...it's til we meet again! I love you Barb! My deepest sympathies go out to Any Rachel Kyler & the rest of her family...you are all in my prayers! Godspeed Barb.....xoxo

Barb aka mom, Losing you came at such a shock. I still can't believe you're gone. I am so glad I got to know you. You were so amazing and funny and you cared so deeply for those you loved. Fly high with the angels and drop in to see us from time to time. Heaven gained an amazing soul but earth lost a beautiful human.

This has been so hard. Losing you has left a big hole in the atmosphere. I miss you terribly, but I know you are at peace. I thank God I was able to know you from birth and watch you grow into a wonderful woman. You have two beautiful daughters and I will do whatever I can to be there for them and Kyler. Go in peace. I love you so much. Party with the angels and please give Michael a kiss for me. Love forever, Vicki
