

Barbara Lynn Glick Mason

September 21, 1951 ~ May 28, 2025

Tim, having grown up with the entire Glick family, Barbara was like a big sister. She was always kind and respectful. She was also very complimentary. I am sorry for your loss. She showed such strength in enduring her illness. I will continue to remember her for quite sometime. God bless

Tim - So very sorry for your loss. My wife (Jan) passed In January and I'm still struggling with it. It's gonna take you awhile to recover but you'll never get over her. You're gonna have months of tears, but don't give up! Call me sometime and we can cry together. My sincere condolences for your loss. Dave "DOC" Perry
