
Jason Allen Huddleston

December 22, 1980 ~ April 21, 2023

Even though distance kept us from spending much time with Jason over the last few years, he still held a special place in our hearts. What a sweet spirit. Our hearts and prayers are with you all. Jason is reunited with his dad and grandparents. ■

Stewart and I have been blessed to know Jason. He was always very respectful and kind to us. A few years ago, at his request, Stewart gave him a blessing in the hospital. He was honored to share that spiritual occasion. Even though he was in pain and really sick, he had his sense of humor! May all of Gods blessings pour out in abundance to you all . Love, Stewart and Heidi Shelline
