

Jean Larsen Richards

April 14, 1942 ~ September 5, 2022

Sorry to hear about Jean. She was a good friend at the Sadty Senior Center.

What fond memories I have of one of my favorite cousins. We are as close as cousins can be because two brothers married two sisters. We had so much fun growing up and playing together. We drove everyone crazy but we could and did laugh about everything. I wish everyone could have a Jean in their life. I know she is still living life on her own terms and is happy with those she loves. Linda Larsen Brueing

Jean will always be in our hearts. We have so many great memories of Joe and Jean at Strawberry Lake Estates. We will remember Jean's smile and her fun personality. She was always willing to share the fish they caught with us. We will love and miss her always.
