I feel I have lost a good friend and Brother. I first met Bert, his Wife Anne and his family in Pennsylvania, where I had the privilege and honor of serving as his Executive Secretary when he was called as Bishop of Scranton Ward of the Church of Jesus Christ of Latter-day Saints. He made you feel loved and appreciated. He had the Christ like attribute of seeing your potential and helping you to achieve it. I remember one Sunday when I wasn't feeling well and didn't feel well enough to attend the Bishopric Meeting before Church Services, he called me to let me know that Donny Osmond was in his Office because he knew I had mentioned Donny being in a play in Alaska when I was on my Mission. The Missionaries served as the ushers. I extend my condolences to his family at their time of loss. I lost my Father many years ago, and I know the feelings of missing him, and the comfort of the Gospel brings in knowing the happiness of the Family Reunion taking place on the other side of the Vail. I love you all and pray you may find Happiness in the Gospel Plan.

Brother Hebert was a wonderful man. I always remember him teaching Elders Quorum for the ward and what wonderful lessons he always gave. May the Lord be with your family at this time.
