Such a profound loss! Bart was an amazing man. Always with family and so happy to be there. We are so sadden by your deep loss. Peace and love to you and your extended family and may your father’s sweet smile be ever present in your minds and hearts.

How I wish he could have pulled through and given you at least a few more years of adventures together! My mom said she would hear about his travels and fun times with you Heidi and Sheri-- including ziplining!-- and that she would jokingly tell him to "act his age!" I'm so thankful and honored to have him for an uncle and know he blessed so many lives with his goodness. Our thoughts and prayers are with you! ❤■

Bart was at the grocery store daily. I always looked for him when I was at the Smiths in Sandy; and a great majority of the time, I could find him. His warm smile and friendliness were never failing You are so right: he was the BEST girl dad! What a legend. I love this man. Heidi and Sheri, wishing you both healing hearts and continued good memories. Hugs.

To Sherrie and Heidi, I am so deeply sorry to hear about your Great Dad’s passing, he was such a cool guy and I know my mom and dad enjoyed time with your mom and dad, I know when jour mom had to go to work at the salon

Bart would take her down there and come pick her up when she was done, your dad loved your mom and you girls, and I know he loved the old cars, I saw him at some of the shows because I have a old car too and he would always stop by to look at my car. I know that your parents are up there having a good time and talking to all the old neighbors. I didn't hear anything from the old neighborhood that he had passed, so I'm deeply sorry, and I know he's happy to be with his sweetheart.
