Baxter was introduced to our family through our deep friendship of Tori, and her family. I was fortunate to meet and talk with the man that stole our Tori's heart. He was a wonderful soul- and the few times we met we knew what a kind of man he was. Tori had found gold. Tori and Baxters Family, I am so sorry for your loss, I send you all the love to help you through the journey bestowed upon you. I will remember his smile and the kindness that he gave to all. Hugs and prayers to all of you.. .

I love you so much my dearest beautiful Baxter. You mean the absolute world to me I've never felt so lost like this I need you brother. I have always admired and looked up to you so much, you're the best brother I'm so blessed to ever have. I miss you so much. Your rare self knows the true meaning of living your life in absolute total uncompromising freedom. You lived your life to the fullest as a genuine awe inspiring example to all of us who had the fortune of knowing you. Your creative, magical never ending imagination dreamed up and lived a brave magical adventure of a life the rest of us could hardly even imagine. You don't care about the material things in this world and always put your family and wife first. It is so obvious how deeply you cared for your ohana. You preferred bonding,experiences and memories with your loved ones over everything else. You are a beaming light of all that is good in this world Baxter. There is a huge hole in my heart now that will never be replaced I feel broken without you. Your one of a kind loving,sincere,optimistic,sweet sweet soul will live for eternity through all of the many lives you have touched. I promise I will work hard to make you proud and honor you everyday and we will keep Tori close,and loved,and cared for always as you watch over us.
