Rarely in life do you have a chance to know someone as genuine and kind as Beata Meredith. Tanya and Beata are like sisters I never had but always wanted. My yard is more beautiful with Iris shared from their beautiful garden. The stories from the amazing trips, politics and the ups and downs of our lives have had great meaning and made me feel like family. My life is better for their influence and boundless love, even when I may not have deserved it. Heartfelt condolences to Ralph, Tanya and the family. Love, Mark and Barry
