

Beatrice King Littlewood Jensen

July 26, 1929 ~ November 18, 2021

So sorry to hear of your sweet Grandma & mother's passing. She loved you all so much. Hold on to the good memories. Families are forever!

- Brad Dymond

I am sending my condolences to your family. I will miss Beatrice. She always had a warm and wonderful smile. ■ We will be out of town on Saturday with family . Please know our prayers are with you and hope you feel comfort from our Father in Heaven. Toni Nelson

Aunt Bea at times was my summer mom. She loved & tolerated my country roughness with tender care. And I loved her back never giving thought of the added burden I might be for her. I hadn't seen her for quite some time. But I loved her just the same and will remember her and miss her with great fond memories. Love you all mucha! Dana
