I knew Jeff for a short time and was with him in NY at the WTC. An event that changed all our lives. He was always a friendly and supportive guy that has always remained in my memories.

Mitch and Megan, I knew you and your family when you were toddlers. What a special part of life. I am sorry for this loss at such exciting times of your lives. Knowing he can still be with you doesn’t make up for the hugs and good times you want to share. For now your dad and all the family who have left this life will be with you and watch over you. Am keeping you in my prayers that you may have feelings of comfort and peace at this time.

Jeff was the smartest most handsome wrestler I ever met while at BSU. He was a stand up DUDE in EVERY way. I loved his smile, as it was so genuine and honest as the day was long out there in the Sawtooth Mountains of Idaho.....I last saw him my Jr year at the college, and he was in love with his motorbike! What a free spirit HE WAS!!! Awesome Jeff, you are now in Heaven and looking down on your beautiful children. HUGS to all those wonderful family members you had spoken of ... God bless. love you, TAM.

I want you to know that I’m sorry for your loss of your brother, dad and Uncle Jeff. I only met him once, but I enjoyed his sweet spirit very much. I knew he had to be special because he was raised by Laverne (who was married to my dad, Ralph). Please know you are all n my thoughts and prayers.
