Since the first day in 2010 at Flat Iron Mesa park, Jen and her family accepted me into their circle. Jen has always been a sweet and loving person. There is not a person in the world that would have anything negative to say about Jen. Jen invited me to many family holidays and social events throughout the years which I happily attended. She was a great cook, kind person, and amazing soul. She has been a good friend, and we frequently called each other family. Jen happily went out of her way to take care of me and anyone she met. I will miss her and will eternally remember her appetite for life, her laughter, and her smile.

Dearest family and friends of our beloved Jen, It is with great sadness and heartache that I send you this message. I feel very privileged and honored to have been part of Jen´s journey at Maggie Sottero . I remember the day she took over our account and Phoung said: " Is my niece treating you right? Is she tacking care of all your needs, If not let me know and I will get on her butt!" My response was: " Phoung, she is doing a GREAT job I am thrilled she took over our account." Jen was the best of the best and the sweetest of the sweet a combination of intelligence, discipline and amiability I have never seen in anyone else. She responded in a matter of minutes, not days. I remember a common subject of ours was our pets and I am sure Dexter and Griffin will get all the love that Jen gave them, from all of you!...It breaks my heart to know that mommy is gone. I know is hard to let go but we have to believe she is in a better place and remember she is no longer suffering. Dear Phoung; I send the strongest hug possible, I will continue to pray for Jen and each and everyone of you. Love ya, Migdalia

Dear family of Jen, My most sincere condolences. Jen was my daughter’s friend in Junior High. What a joy it was to have her around my house. She was full of life and was always kind to everyone. We loved that we could still see her even after we moved to Bountiful in 2000. Jen will always have a place in my heart as one of the best friends my daughter could have had. ■

Van and Jeewon Vuong are dear friends of ours, and we had the opportunity to hang out with Jen on a couple of occasions. I wanted to share that while we didn’t know Jen well, we will never forget her warmth and welcome to us as newcomers to the party. It was truly unforgettable. She was striking, magnetic, and special and it shone through instantaneously. She impacted us and didn’t even know it. I’m sure there are countless other imprints she has left both large and seemingly small. I regret not knowing her better. We send our deepest condolences to her family.

This sentiment lives in my heart when I think of Jen along with a million smiles. “Some people come into our lives and quickly go. Some stay for a while, leave footprints on our hearts, and we are never, ever the same” ■ Flavia Ruthie Stephens
