I haven't heard from uncle Ben in a long time, but I remember his laugh and smile. May he find peace, and rejoice with my mom Anne and other family lost along the way. May he be blessed with grace and welcomed I to our everlasting life with christ.

I don't normally wish I could have said good-bye. In this case, however, I really wish I could have had the chance to say it.

You were a good friend and were always there when I needed a helping hand or someone to chat with. I hope you enjoy your next adventure. You are missed.
