Robinette DesRochers

September 27, 1959 ~ June 16, 2014

On Monday, June 16th, 2014 our feisty, free spirited Robinette DesRochers embarked on a new adventure. During her earthly journey she loved Disneyland and in many ways her life modeled her favorite character Tinkerbell. She will be missed but never forgotten.

Robinette is survived by her husband, Norman Bourque, her son Jace Melton, her daughter Tara Frederickson, her mom Beverly Cunningham, and her sister Randy Robinson. She leaves behind her son-in-law Matt, nephews Jay Ryan and James Kalen as well as other family members and many, many loving friends. Robinette was predeceased by her father, Jay K. Cunningham.

A gathering will be held honoring Robinette on Tuesday, July 1st, 2014 from 4:00pm to 6:00pm at Larkin Sunset Gardens , 1950 E 10600 South, in Sandy, Utah. The family would be pleased to have your company at the celebration of her life. On line condolences may be left for the family at https://www.larkinmortuary.com/

Family would like to extend a very special thank you to the wonderful staff of C.N.S. Hospice Service for their professionalism and dedicated care of Robinette.
