My thoughts and deepest sympathies go to every one of you! Nancy, Shawn, Carolyn and Marc and families! I loved your Mom and have many fond memories of Berna especially in our growing up years. May she be your special angel and help you to be at peace. I'm sending hugs and love from Arizona to you all April

We were so sorry to hear about Berna. She was our neighbor for many years in Westshire! Our kids were close to the same ages and we were grateful to have the Hasenbergs as an important part of our lives through those years! Berna was so talented in so many ways and she certainly enriched our lives. She will be missed by so many.
