

JoAnn Maher Landrus

January 1, 1948 ~ September 22, 2023

I'm so sorry to find out that JoAnn passed away last month. I was one of her friends, but I feel that I wasn't as good a friend as I should have been, because I didn't keep in touch better. I didn't know that she was having health problems. It breaks my heart to know that she is gone, but know that she has moved forward to be with family and friends on the other side of the veil. I know there will be great rejoicing with many family and friends there. Ron Blackham would have been one of those friends that would have been there to greet her. Our love to her family and grandchildren who will miss her. Love, Mary Ann Blackham

Grandma I miss you and Grandpa so much. Not a day goes by where I don’t miss you both and think about you and grieve your passing. You both were the greatest and sweetest souls ever. You made being grandkids a special and memorable experience. Your undying love, patience, and presence is something I will cherish, and that I will never forget. Your wisdom and way of life is something I will carry with me for eternity. Grandma and Grandpa, may you both rest peacefully. We will be together one day. I love you.
