We were so sorry to hear about Berna. She was our neighbor for many years in Westshire! Our kids were close to the same ages and we were grateful to have the Hasenbergs as an important part of our lives through those years! Berna was so talented in so many ways and she certainly enriched our lives. She will be missed by so many.

I worked with Berna at Calico Corners for years. She was a delight to work with and we had many many wonderful gospel conversations (I am pretty sure she is still talking about it). Until we meet again Berna.
