Dear Howard and the Van Boerum Family, We were touched by the highest tribute of love given Joanne in her service today. We were impressed in hearing about her outstanding life and the way in which she influenced so many people for good. Each of you exhibit her goodness, talents, contributions and gifts that she shared in raising such a beautiful family. Our personal lives have been touched with the Van Boerum spirit by Howard and Joanne's grand daughter Anika marrying our grandson Spencer Pihl. We love having her in our family. I have appreciated Howard's friendship over the years in business and our golfing adventures. We are thinking of you and send our love at this tender time.

Dear Howard, Don, and Drew: Ruth and I will be out of town at the time of the visitation and funeral, but I wanted to express our condolences for the loss of a wonderful lady and friend. You all have intersected with our lives in positive ways, for which we thank you. Joanne's passing comes way too soon. May you be comforted by your faith and by the prayers offered on your behalf, which will include ours. Steve and Ruth Lowe
