Uncle Bernie was such a kind and loving man. He was the rock and foundation of your family. He always had a commanding presence and you could feel his sincerity whenever he spoke with you. We will always remember his gift for preparing foods for the entire family at Thanksgiving and special occasions. Our family loved him dearly. Your Mom was so lucky to find such a great man and raise an amazing family. His influence and love in all of his family is the legacy he leaves behind. I can speak for all of the Robidas when I say we all loved him and he will be sorely missed. Our sincerest condolences to all of you.

What a sad day to have to bid farewell to such a grand man. So many memories of this guy. Our family were neighbors of Bernie for many years. Such a handyman and world class cook! Always good for a sweet visit and so generous to our family. We will miss him dearly. Warmest regards to Reed, Rachel and all of the other family he leaves behind. God bless his memory.

I just saw this. I'm sorry the people that kept the food service business running have passed....hey maybe they are throwing a catered party. :)
