

Beth Reynolds Sundstrom

January 11, 1923 ~ December 5, 2021

I have such good memories of Beth -- such a warm, caring person. She was our receptionist at the Utah Museum of Natural History for several years and we loved her. Please accept my condolences.

Grandma Beth was the kindest person I have ever known. She never had a mean word to say about anyone. She loved me like I was family. I am a better person having spent time with her learning how to bake bread and tell stories. She was an angel here on Earth and I know she has a special place in heaven. My condolences to her family on their loss.

Beth was a wonderful neighbor when we lived next door in the early 80's - the sweetest, kindest person you can possibly imagine. It was so good to have had her in my family's lives then and for years after. Rest in peace Beth, we'll sure miss you!

Dear Sundstrom family, My condolences on the passing of your beautiful mother. She was such a kind and special person to our family. I'm sure my mother Lois Lambert and Beth are having a grand reunion. They were such great friends since elementary school until the passing of my mother in 2016. They were always checking up on each other and had each other to support and lean on in times of trial as well as joyous times. May our Lord provide peace and comfort during this difficult time of grieving. Sincerely, Roseann Lambert Hnath Monroe Twp, NJ
