Beth was always friendly and generous and genuinely wanted to know how you were doing. Although she was a soft spoken person, her kindness said everything. My sincerest condolences to her closest!

My condolences to the Stewart family at this time of grief and loss of such a noble lady. I have known Beth for many years living in the Edison Ward and was privileged to be her visiting teacher several times. Our children were friends and grew up together, my children were always welcome in her home. Beth was a sweet lady and I always felt I was in the presence of a kind, beautiful soul. Her light radiant countenance depicted who she was. I loved her dearly and her presence will be missed but so happy that after a life of service she is reunited with loved ones.
