Matix James Caldwell

October 22, 2016 ~ October 22, 2016

Our sweet baby Matix's soul left his body the week of October 17th. He was delivered on his due date October 22nd, 2016. Matix looked just like his handsome daddy and had his perfect nose and lips. Although his time with us was so short, Matix brought so much love and joy to his family. We are so touched that our small, sweet boy is loved and missed by so many, and we are so grateful for the love and support our friends and family have offered. "Each new life, no matter how fragile or brief leaves tiny footprints upon our hearts."

Matix is preceded in death by his great grandparents Winston and Ellen Jones and Lisle and Afton Eddington, who we know are already holding and loving him. Matix is survived by his mother and father, Amy Jones and Alex Caldwell; two fur siblings, Buckley and Jax; his grandparents, Winston and Barbara Jones, Lori Caldwell (Vern) and Gregg Caldwell (Suzy); great grandparents, Thomas and Glenda Caldwell and Gerald and Carol Sorensen; uncles and aunts, Tres and Cheri Jones, Andy Jones, Chris and Janice Jones, Curtis and Laurin Caldwell; cousins, Landon, Brennan, Cole, Atlanta, London, Madison, Kylan and Dylan; and lots of loving extended family and friends.

Our beautiful boy was cremated on October 28th and finally brought home by his parents on their anniversary. A private service was held on October 27th with immediate family.
