

Beth Willden Tolbert

April 7, 1935 ~ May 9, 2025

Beth and I fought in the trenches for the Realtor family, She was such a great person and friend. And she sent her son Tracie to work with me who also became a great friend. She impacted many peoples lives in her work, church and whoever she met. I will always remember her smile and laugh. May her family always have those great memories of this great lady.

Beth and Stan were wonderful back door neighbors in Santa Clara. Beth treated us like she knew us forever. She was my assigned ministering sister through the pandemic. She called and visited monthly through it all. I always knew she cared! My condolences to her family. She was a very special friend!

For 20 yrs my children have called her grandma Beth. She came to all their baptisms and wrote them on their missions. I was blessed to be her ministering sister and she was also mine. I loved our monthly visits and lunch dates. I sure love her and am grateful she was part of my ward family. ♥■

Beth and I had the oppourtnty to serve in the Church of Jesus Christ for many years. We came to love her and Stan very much. They are trusted friends and lots of fun to be with. Beth had the ability to make everyone feel like she knew the for years even when yu just met her. We met her when she sold us our property in Highland Utah and then even got to know the family over the years. I was blessed with the opportunity to have callings that gave me the blessing of knowing the boys and knowing them as they grew up. Great young men, and still friends today. My wife and I both said when we got the news of her passing things just got lively in heaven, she just knew how to organize and get some fun on the way. We send our love and condolences to the family and send some special comfort to Stan. Good bye BETH.

Aunt Beth was truly the greatest—her joy and warmth made every moment special. Some of my fondest childhood memories are of Willden family reunions, where she made everything we did so much fun. I will miss her deeply but take comfort in knowing she is reunited with her beloved brothers, sisters, and family. My heartfelt condolences go out to Uncle Stan and her sons, Kevin and Tracy. I'm sorry I won't be able to attend the service, but my thoughts and prayers are with you all during this time.
