Love and prayers to John’s family during the holidays…

- Amy Tolhurst

I met John back in 2006 when I joined the nuclear PE exam committee. He was my vice-chair when I chaired the committee from 2009-2011 and always went out of his way to see me when I was in Wilmington for work. I particularly remember this India buffet he took me to twice. John was a big part of the PE committee and will be greatly missed by friends and ANS colleagues. Sincere condolences on your family's loss.
