I wish all of you peace and comfort. Buffy was and always will be with me. She was a very generous woman and I will never forget her kindness. I only wish we could have had a relationship that lasted forever but that was not to be. If I can do anything for you, please let me know.

What an amazing woman, she would always open to helping anyone. She also had a love for her dogs. We will miss her smiles and hugs.

I first met Buffy shortly after forming an unbreakable friendship with her son, Drew at the age of 17. Both Buffy and Frank welcomed me into their home with open arms and treated me as if I was part of the family almost 32 years ago. Buffy was always very motherly to me and her support as well as criticism helped pave my path in life. I will miss her deeply. She was a great woman and an amazing mother. My most sincere condolences to the Family.
