

Betsy Ross Young Newton

September 25, 1924 ~ January 26, 2023

I loved my Aunt Betsy.. I will miss her vivacious, personality, and wonderful character. I know my father Gaylen is thrilled to meet her on the other side♥■♥■

- Susie Young Irwin

My thoughts, prayers, and appreciation to Joe and the Newton family for my many fond memories of growing up in the old Monument Park 15th ward. Joe always made everyone around him a little better and to this day I will always be grateful for his tireless mentoring and development while growing up. Joe has always been one of my life mentors and adult leaders from my youth. You could always count on Joe going the extra mile and doing it unconditionally. My parents, Dick & Ettalue cherished and enjoyed Joe & Betsy's friendship over the many decades from medical school to retirement and beyond. Thanks, Joe, for all your kind gestures and for making dad's day a little brighter or enjoyable well into your 90's as you'd pick him up for lunch or a beverage. Here's to the Newton family!
