

Betty (Liz) Ellen Tubbs Grandlinger

January 26, 1927 ~ May 25, 2021

Look at how completely beautiful Aunt Betty is! She was woman who was ahead of her time, possessing a dynamic creative spark which she brought out into the world. Liz was a role model, and I always felt a deep connection to her. It was an unusual feeling of being next to a source of bright light. Tracy, I truly am sorry for your loss. No matter our age, Mother is Mother, and the bond is infinitely deep. You are very fortunate to have had so many years together. With love, Trisha
