

Betty Clark Ruff

February 8, 1921 ~ November 26, 2020

I just wanted to send my condolences to the Ruff family. I have known the Ruff family since I was in the cub scouts with their son, Lynn. Sister Ruff was a very intelligent and compassionate individual. I will miss her even though I haven't had the chance to visit with her in years. I know that the veil is very thin. I also know that the Ruff family will know of the presence and love of both their parents and their older brother, Alan Robert Ruff. God bless, love, Jon
