

Joseph Eugene Ferro

January 3, 1936 ~ September 27, 2020

Tammy, I'm so sad for your loss. I know you and your dad were close. I pray that you and all of your family will be comforted with happy memories.

I knew Joe from working at Pepsi Cola from 1981 to 1984. Though he wasn't my direct supervisor, he was a supervisor. He always seemed like a really nice guy. He organized Saturday golf outings for anybody at Pepsi who wanted to go. My first time going as a newbie I remember him pointing out my two pars after the first two holes to the other regulars. I'm not sure but I think he showed me a little favoritism after that, haha. Rest in peace Joe and my condolences to June and the family.

Our hearts are broken over the loss of Joe. He was a wonderful guy and special friend and such a great help with our business. We will remember him and think fondly of the good times we shared. Ken and Jodie

My sincere condolences to all of Joes family and friends. C.J.
