

Joyce Borba

March 26, 1939 ~ April 26, 2024

I am so sorry for your family's loss. I have a big hole in my heart too. You may have known Joyce as cousin, Aunt, Mother or Grandmother. She was known to me as, "my friend". I will miss her dearly. Joyce's friend, Jackie

- Jackie Miska

Joyce was so sweet! She was always caring about everyone! For the short time I knew Joyce she was always asking me how I was doing and always caring about everyone she was around! My condolences and love go out to the family! - Legacy House worker and family member friend ■

- Bailey Cox

Joyce was a beautiful lady and just as sweet as can be she is dearly missed by all of us cna’s and Medtechs from legacy thank you for letting us take care of mom and trusting us

- Heidi -cna
