What a darling lady with such a bright mind and sharp wit! She and Lou raised such beautiful, hard-working and capable daughters, who have made contributions wherever they have lived. I enjoyed hanging out with Edi in her welcoming home while attending High School and they kindly invited me to take a trip with them to Bear Lake. What fun and great memories! My love and condolences to her entire family. She will be missed.

Dear Juli and Edi and families, We are so very sorry to hear about your Mother's passing. She was such an active and vibrant woman. Luckily you had her for a good long time and were able to enjoy her many wisdoms. She lived a wonderful adventuress lifestyle. Our thoughts and prayers are with you all to find strength in God to get through this difficult time.

How I will miss my wonderful Auntie Betty who has been so incredibly supportive and caring towards Bob, our kids and me over so many years. She was such a blessing in our lives and I was of course her favourite niece.! That is an inside family joke. Everyone thought they were the favourite and she wanted us to make sure that we rated her as our favourite auntie too. Just one thing that she did was host baby showers for all the nieces and nieces-in-laws (one of which was me). She even put on a surprise baby shower for my sister. We are from New Zealand and did not have our actual blood family here but she made sure that we felt as important as the rest of the family..I thank her for all the wonderful family reunions that she and Uncle Lou hosted at Bear Lake. They were filled with fun and kept our family connections strong. I am also so grateful that she and the rest of the Sawyers family were so welcoming and kind to me. They made living away from my home country manageable and happy. I love you very much Auntie Betty and will miss you very much.
