

Joyce Elaine Dustman

April 21, 1931 ~ August 17, 2022

Dear Todd and Ted. The news of Joyce's passing was conveyed by a family member who still communicates with us. Joyce and Bob had a considerable Influence on my choice of a career in the years after high school. Her advice and counsel was always highly regarded and considered. Joyce's standards were of the highest and our understanding is that she passed them on to you. Our memories are that she was secure in her life choices. Please accept our condolences.
