

Betty Lou Solomon Nielson

December 4, 1940 ~ January 7, 2022

To ALL of Betty's family, I send sincere condolences. May fond memories and comfort from friends and family help you through this difficult time. Love, Barb Belman ♥

Betty....oh Betty how I will miss my cousin! You leave us sad, but with such awesome memories....Mount Rushmore, California coast.....the trip to Reno for our 'Cousin Reunion" those were fun trips! You were usually always picking the right football teams to win, and of course all the discussions about the Jazz! You will be missed by many - rest in peace. Love cousin Pam
