

Judie Kesler Ahrend

June 24, 1942 ~ November 30, 2022

I had the honor of sharing office space with Judy while I was Executive Director of the Utah Section PGA. During that time, seeing her administer the UJGA I appreciated her professionalism. Constantly on display was her absolute unwavering support of juniors. Where she completely lit up though was when she was with, talking about or championing girls golf - their access to opportunities and - their competitions. Judy, no doubt had a positive impact on many, many people. She will be fondly remembered.

Dear Chris- I just wanted to let you know how sorry I am to hear of Judy’s passing. Losing our siblings is certainly a tough one, as you sadly already know. Sending my love and thoughts your way. Janie

I played in Junior golf for 9 years and I loved seeing her at the tournaments! She always made me laugh and she made her job look so easy! Appreciate all the work she did for Junior Golf!

My sincere condolences to family and friends on the loss of this woman who suffered from chronic back pain as a result of an accident. May she rest in peace no more suffering.

My condolences to the Ahrend Family. I spent every summer as a young boy playing in the Utah Jr golf association. Judie and Cookie were the constant presence in shaping our lives. I will always remember and appreciate the time, love and support Judie gave me. Some of my fondest memories are hanging out on the course with Matt. What a joy he was to be around. Thoughts and prayers are with you Tom Bonner, Heber City
