

Judith (Judy) Anne Bush

February 5, 1942 ~ January 12, 2025

Sorry for loss I always got along well with your mom and many good times with her. She will be surely missed. I remember the trip out Utah with her when I bought out to take care of the kids.

I was so devastated to hear about Judy's passing, I was lucky to be able to call Judy a friend. As Judy's hair dresser for 20 plus years we shared our lives together through laughter and tears, ups and downs and all of our adventures. I always looked forward to her coming in as did everyone in the Salon. She would walk in with a big smile and so happy to chat with everyone. No matter how she was feeling she would always smile and light up the room with her energy. I will miss her and our visits dearly, especially her smile! My sincere condolences to her family. She loved and adored all of you so much!

A great friend to my mom and a person that loved to have a good time with everyone, anytime. Here's to Judy, a savvy gambler, great storyteller, motherly influence and a wonderful person to have known.
