Oh what a fun time we had together. The wonderful reception you gave when we moved next door, the crazy parties we had, the fishing trips and the Mondays we spent cleaning and freezing shrimp and fish. What a wonderful time we had in Alaska! Even after we were apart, it always seemed that we had just seen each other the day before. You will always be a part of my favorite memories. Hope you JK and Bill are having a great time! See you later...love you always. Mickey Padgett

Sending prayers for peace and comfort to all the family. It is so hard when the last of this generation leaves us. I knew Aunt Beverly as I called her because of my Aunt Wanda Street. I would see Uncle Jay and Beverly when in Lindsay coming from Colorado to visit family. This would happen off and on through the years and I would hear of her through my Aunt Wanda as they met for fun trips together. I also kept in touch through FB. I know how very much she meant to her girls, her grandchildren and great grandchildren. She loved family so much. She was a special lady who will be greatly missed. The stories of her exciting life and relationships will always live on. Grateful I knew her and have a few of those memories myself. Blessing for her celebration. I know you will honor her well. God Bless you all. -Karen Blanco
