Jana and family. I am thinking about you. Your mom was a wonderful person inside and out. Having a great mom is fortunate and your mom made everyone feel welcome. Xoxo Jill McBride Baxter

Dear Scott, Jeff and Jana, Your mother loved all 3 of you so much. You have given her a Legacy of Love with each of your families. She is very proud of you. I received the sad news from my sister Cindy and was able to listen to your talk Scott. (Thru the miracle of Zoom.) And was able to hear your memories of your mother. Terrific Talk. Lots of memories at work with her. She loved everyone. She was our Boss, but more important our dear friend and who cared about us. We were so blessed to have worked with her at Intermountain Contractor and was able to know all of you. We send much love to you and your families. Love Kimberlee
