

Beverly Jeanne Luke

July 11, 1940 ~ January 7, 2023

Your Dad was our bishop when we lived in Houston. Neat man. Your Mom was my angel. She watched over me and my children as my marriage fell apart. I'm blessed to have found her obituary as I live in North Ogden and just started taking the Deseret News. I'm sure you all know what a great lady she was. Love, Kathy Cook and children Justin, Sara, Nathan, Aaron, Kevin, Ashley

Our prayers are with the Luke family at this tender time. May the sweet memories of Beverly bring you comfort and peace. We loved Beverly and will miss her kindness and thoughtfulness.

Beverly was one of the sweetest, most thoughtful, kindest and most generous, ladies in the ward. Thank you for sharing her with us!!!!

We were shocked to read of Beverly's passing in the Deseret News. I spoke by phone to Beverly in December and asked how she was doing, and she said fine, so she must have gone downhill very fast. We were good friends in the Sugar Land ward where Luke served as Bishop. Joan served as Luke's Relief Society President. I succeeded Luke as Bishop of the Sugar Land ward, which later was split into Sugar Land First and Sugar Land Second wards. Luke and I both worked for Texaco, in different departments, but we often talked about upcoming retirements and benefits. We knew the four children quite well, especially the oldest Tiffany. We send our deepest condolences on Beverly's sudden passing. Luke will be once again happy to have his eternal companion at his side. Russell & Joan Gray, Provo, Utah

I just sent her a message today in Messenger, sharing a good news. Then, I decided to see her posts in FB and I saw this announcement. I am so sad. I love Sister Luke. She was the most go-getter and organized missionary I had in the Employment Resource Center in Cebu City, Philippines. She was also one of the kindest and caring persons I know in the whole universe. Sister Luke, please hug Elder Luke for me in heaven. I love you both!!! 'Til we meet again.
