

Beverly Frank

March 26, 1934 ~ March 21, 2026

To Beverly’s family I never got to meet you but I want you to know I loved your mom so much. What an incredible grand lady. She brought so much joy to so many people through her music, with your dad and The Beverly Brothers, then performing on for many years with Warren. Beverly lit up the room every time she sang! She made a huge difference in our community. Both Ainsley McLaughlin our current director and I are out of town and won’t be able to give our condolences to you this evening at her viewing. We’re so sorry for your loss! Please let us know when her celebration of life is planned. With all our love and Heart & Soul, Janna Lauer
