Keep Smiling Ma…I Love You

- Jeremy

So sorry to hear of Karen's passing. She was always so kind, loving and generous to me. I will always remember her. As kids we would visit the "Richard Tate's" in Tooele regularly and we always had the best time there. She and her brother and sister made us feel at home. I loved that even though they were older than us they would make us a part of what was going on. That was a long time ago. Reading her memorial I am so glad that she found the happiness and joy of children and grandchildren. When ever I think of her I see her smile and her hand extended to me reaching to give me a big hug. My prayers are with you all at this difficult time of loss. We all love her so. See you again Karen, can't wait for another hug.

- Rod Tate

Karen was always so sweet and nice to me. I remember her as a gentle, loving person. My heart goes out to all the family. My prayers will be with you as you go through this hard time.
