

Karen Lynne Ross

October 8, 1963 ~ January 25, 2026

My sincere condolences to a well loved friend. We spent many hours in school cheering and dancing together which she enjoyed to the fullest. I was blessed to know her and I’m so sorry to hear of her passing. May her children know that she was loved and cared about greatly. The heavens have welcomed another wonderful person into their fold. She will be missed.■
