October 23, 1950 ~ May 23, 2024

Dear Bob, I wish you the Best in this new phase of your Life. It’s beautiful to know that Beverly is in a better place and she is fully healed and she is with God. What a blessing it is to know that you and Beverly are tied together for eternity. Remember, this is only a short period that you are separated, but you will be with her again someday. Be strong and continue to serve other people and get lots of hugs. Best Wishes, Cory Chung
