Kathern and I served in the Salt Lake Temple together for many years and during that time I came to know Kathern's grace, kindness, service and dedication to her family and to her Savior Jesus Christ. Her countenance was always pleasant, happy and peaceful. I send my deepest condolences to her family. She will be greatly missed. Shauna Frandsen Frei

Dear Marks family, Oh how I loved, and will always love your mother. She was beautiful, inside, and out. She was truly a regal woman. She had such patience, and was kind, and loving to all. I'm grateful to have so many fond memories of her. May the Lord bless you with peace, comfort, and care at this time.

I have known Kathern for a short time since I became her ministering sister last October 2024 since moving into the ward. She was so warm and loving with a cheerful countenance. I loved reading about her life and getting to know about the woman she was, who grew in her strength and faith in Jesus Christ. I wish I had known her longer, but the few moments I got with her touched my life and I will have fond memories of our time together. She will be missed. My condolences to your family at this time.

Debi, in everything I know and hear of your sweet mother, she filled an overflowing measure of her creation while here on earth. What a beautiful legacy she has left in her large posterity and abundant love! We have always been impressed that you haven’t let the miles separate you in your constant, loving devotion to her. We pray you, Jim, and your entire family will feel the warmth of our Savior’s love, comfort and peace wrapped around you as you reflect on your treasured earthly moments shared with her and knowledge, wisdom, love, strength in faith gained from her. Sending our deepest love and sympathy, Rick and Calleen Archibald We love you■■
