

Bicknell Allen Robbins

October 23, 1932 ~ May 3, 2022

Elizabeth spoke many times on Facebook about her family and her father. I see much of him in her and it warmed my heart to learn more about him through your words celebrating his life. I lost my Dad 10 years ago and he, like your father... was part of a great generation of moms and dads in America raising the Baby Boomer generation. We will be keeping you close at heart and in prayer as you navigate through this time. His legacy is one that will live on through each grandchild and great grandchild. Love to you all from Texas.

Bick, You were such a great person, friend, husband, father and grandfather. You always knew what to say and always had a great smile when you talked with anyone that came across your way. I was so grateful to have the opportunity to work for you and your loving wife, Mitzi. Great people you both are. LOVE you both. Take Care Bick. Miss you
