Hi friends Craig, we have been friends for over 50 years. A large part of that involved your parents. This part of our lives just stinks. Believe me I understand. I was so pleased I could spend an evening not too long ago with you (Craig), Brad and your mom. Thank you for allowing me to be a part of your life. Max

Dear Craig, We are so sorry to hear of your mother's passing. It has been a number of years since we have seen you. We hope you are doing well and enjoying life. We miss having you and your family as our neighbors. I did not know - because you did not tell me - that your mother was an Erskine. I grew up on Memory Lane in Holladay and Jay and Ruby Erskine were in our Ward - the 14th Ward. Craig, you and your family come from great roots and you are all leaving a wonderful legacy and impact on those around you. We have been greatly blessed by our association with your family. God bless, Tom and Sally Walk

Kathy Ford was my sisters bridesmaid many years ago. Although we have not had contact for sometime she has always seemed part of our extended family. I am sure she has had a good life. She will be missed. She ha finally been united with her love, Newell.
