Sorry to hear about Billy as we called him way back. I remember going to school with him and also hanging out as he was racing the funny car in the sand. Good memories, That’s how I met my wife Tami. Rest In Peace. Condolences to family.

So sorry to hear about Billy , I have great memories of camping and fishing with Bill. Larry Thomas let me know Bill had passed , I was planning on coming to the viewing but I ended up with an infection which is keeping me home. I hope Johnny and Terri are doing ok
